

Adult Bibs – Knit Terry

internally coated – perfect for institutional use

Cotton blended fabric with polyester and PU coating – 240 g/m²

Advantages

Large and particularly hard-wearing. Due to the internal coating, these bibs offer a maximum of protection. The polyurethane coating (PU) provides optimum wash resistance and can be used without restriction in industrial washing.

Quality features

Material: Durable knit quality with PU coating inside – 64% cotton, 16% polyester, 20% polyurethane

Weight: 240 g/m²

Dyeing: White 007 – with an optical brightener in blue

Finishing: Finished all around with piping, with two strings that are tied at the back of the neck

Certificates: OEKO-TEX® Standard 100
