

Twin-Star – Towels

fully printable upper side – ideal for textile printers

Twin-Star fabric, upper side micro velour, underside single-ply terry – 350 g/m²

Advantages

Sumptuous velvety towels which, differently from cotton velour, do not get hard and only experience minimal shrinkage, even after numerous wash and dry cycles. Energy-efficient, drying about 50% faster in the laundry. The upper side is polyester velour and perfect for printing.

Quality features

Material: 60% polyester/40% cotton

Weight: 350 g/m²

Dyeing: White 007, with an optical brightener in blue

Finishing: Folded towel edge, sewn on four sides
